

FISHBOWL ENTERPRISE—A ROBUST ERP TO SUPERCHARGE YOUR BUSINESS!

In today's market, where margins are shrinking and competition is heating up, businesses need a competitive edge to succeed. The edge you need could be as simple as doing what you're already doing but at a lower cost. Fishbowl Enterprise gives you the tools to cut expenses and boost productivity.

Fishbowl Enterprise is a robust ERP system that combines all the tools you need at a fraction of the cost of other solutions. In fact, switching over to Fishbowl Enterprise can save you money right now because the one-time site license price is less than the price you pay every year to renew the system you currently have. While your competition wastes money on expensive software, you'll grow your bottom line with Fishbowl Enterprise. *Try it risk free with our 60-day return guarantee on the core product.*

CORE PRODUCT

Fishbowl Enterprise Site License Transform your business from surviving to thriving with Fishbowl Enterprise!

Now you can manage your inventory, finances and many other aspects of your business in one centralized location by using our 20-user site license. Make the most of your employees' time and seriously slice the cost of doing business with the help of Fishbowl Enterprise!

BUNDLED COMPONENTS

- **4 Day On-Site Training** A Fishbowl software expert will come to your office and stay for up to four days to help you and your staff learn the Fishbowl Enterprise software. They will answer all your questions and give you hands-on training so you can quickly get set up. Our average customer usually requires four days of training, but the actual time you'll require will be based on your specific needs and processes.
- **Premium Inventory Control Audit** Fishbowl's inventory control specialists will perform an in-depth audit of your current inventory control system and find ways to improve it. They'll show you exactly how your company will benefit by using features found in Fishbowl Enterprise.
- **Fishbowl Mobile Warehouse** Using advanced barcoding technology, Fishbowl Mobile Warehouse speeds up the warehouse management process. You can use a wireless mobile device to cycle count your inventory, scan in new products in seconds, retrieve part information, optimize your warehouse setup, and pick, pack and ship products efficiently.
- **1 Janam XG100 Handheld Computing Device (Hardware)** You receive an XG100 handheld barcode scanner (worth \$1,695) with your purchase of Fishbowl Enterprise. This device is easy to use and it speeds up the process of receiving inventory, shipping products to customers, and many other warehouse tasks. It also reduces the risk of making errors when entering data into your inventory and accounting records. The XG100 unit comes with a cradle kit, USB cable and extra battery.

- **Premium Tech Support for Setup** You gain access to a dedicated site license support team when you use Fishbowl Enterprise. Your support team can help you set up your system, and they'll answer any questions you have as you learn the software.
- **1-Year Customer Support and Maintenance Plan** During your first year of service, Fishbowl's technical support team is ready to serve you free of charge. They will offer support and maintenance services to keep your software running smoothly.
- **5 Hours of Custom Report Writing** Our experts will give you five free hours of custom report writing. If you discover you want to use sales orders, bills of materials or some other type of report in a different way than they're currently designed to be used, simply ask your technical support team to modify them to better meet your needs
- **Monthly Training Webinars** Fishbowl holds training webinars each month to showcase different features you may not be aware of. These webinars give you another chance to ask questions and interact with Fishbowl's support team, in addition to the formal training you receive. Plus, we archive our webinars so you can check out different topics you're interested in.
- **30-day Free Trial of eFileCabinet Desktop Solution** Fishbowl's partner eFileCabinet, Inc. offers a suite of enterprise content management products and services. These tools help your business cut costs by digitizing, storing and protecting your documents and other sensitive data. You'll get a free trial so you can see eFileCabinet in action.
- **Core Product Satisfaction Guarantee** Fishbowl guarantees your satisfaction with our software. After you complete your required qualifying training, you will have 120 days to put our ERP solution to the test. If you are dissatisfied with it after 120 days of use, you can receive a full refund (*less stocking fee*) for the software in the following 30 days. Enjoy peace of mind as you make sure our software is perfect for your business. No other competitor offers as generous a return policy, which is one of the reasons why we have a 92% customer satisfaction rating.

GET EVEN MORE OUT OF FISHBOWL ENTERPRISE WITH THESE POWERFUL ADD-ONS.
