

Visual Communication Using Adobe Photoshop CS5

The **Adobe Certified Associate in Photoshop CS5** course will last for 13 weeks. There will be a 60-minute weekly training session during which the students will be taught the week's tasks and given a project assignment. Projects will be reviewed and critiqued during a second 60-minute lab session held on a different day of the week.

Weekly Schedule: Every Wednesday (instruction) and Monday (lab) from 6pm to 7pm for 13 weeks, beginning 5/18/11.

Weekly Course Outline:

1. Setting Project Requirements
2. Getting Started with Photoshop
3. Image Editing Concepts
4. Importing and Organizing Images
5. The Tools Panel
6. Making Selections
7. Layers and Masks
8. Color Correction, Retouching, and Sharpening
9. Working with Type
10. Preparing, Saving, and Printing Images
11. Color Management
12. Practice Test
13. Final Review/Tips

Student Commitment:

- Attend each training session (60 minutes per week)
- At least 2-3 hours of self-study and practice per week
- Participate in each project review session (60 minutes per week)
- Participate in the practice test and certification exam upon completion of the course

Course Materials:

- Adobe Photoshop CS5 Software (30-day free trial followed by a monthly subscription: \$49)
- PeachPit: Learn Adobe Photoshop CS5 By Video (\$59 Value)
